

Subject – Check Remaining QPREF

During each examination portal opening period CEO is receiving many queries from the candidates regarding the applicable credit matrix to clear the desired CAT, on the basis of their passed paper/ QPREFs.

To avoid such query during the portal opening period a NEW provision '**Check Remaining QPREF**' under the 'View Details' tab after log-in is introduced for the benefit of the candidates. This will facilitate a candidate to check the remaining QPREF(s) to be PASSED to complete their desired CATEGORY as per CAR 66, well in advance.

All desirous candidates are advised to check their exam history FIRST and then on the basis of the same, should '**Check Remaining QPREF**' option. Though due diligence was given while implementing the 'credit matrix' in to the software, however candidates are also advised to double check the same w.r.to. applicable Annexures - I to V of latest User Manual. If any ambiguity observed, candidates are advised to bring to the notice of CEO by e-mail to help.pariksha.dgca@gov.in. immediately with the respective screen-shots under the subject line – “**AME- Ambiguity in Credit Matrix. Computer No –EXXXX XXXX**” and suitable corrective action will be initiated by CEO.

All candidate who have passed few/ all papers during **PRE-1992** era, MUST first update their passed paper details as per Instruction No 3 of 2019 dtd. 7th May 2019. After approval of their application from CEO, once their exam history starts reflecting all passed papers, then should '**Check Remaining QPREF**' option.

NOTE :

1. At present in a particular session a candidate will be allowed to appear
 - a) In any **ONE** category (A1/A2/A3/A4/B1.1/B1.2/B1.3/B1.4 /B2) only.
 - b) In maximum **FIVE** QPREF(s) of that particular category.
2. At present “change of stream” while appearing in examination is allowed **ONLY** from **Avionics to Mechanical** as per the following conditions:-
 - a) All **B2** candidate (*already having license*) OR (*passed Paper 1+2+ES+IS+RN*) OR (*passed all QPREF as per CAR 66*) may apply for any ONE desired CAT under Mechanical Stream as per Annexure-V of latest User Manual.
 - b) Once stream is changed by a candidate, (unless completing a particular CAT of that changed stream) OR (within ONE YEAR) further switchover will not be allowed to other stream.

Henceforth during portal opening period any request for correction/ ambiguity may not be entertained by CEO.
