PUBLIC NOTICE

File No. DGCA-19013/12/2024-CEO-DGCA

Dated 29th July 2024

[Sub: Partial Rejection of Computer Number Allotment Application of Flight Crew.](#)

In order to facilitate and ease the process of allotment of computer numbers to Flight Crew candidates, a new facility of partial rejection of computer number application is being provided on DGCA Pariksha Portal.

Partial rejection facility provides three (03) chances to a candidate to rectify the shortcomings in his application as compared to the earlier system wherein candidate was required to fill out a fresh application every time it was rejected with a shortcoming related to documents, photo, and signature issues.

As in practice, applicants will be informed about short comings in the application through emails. Once notified, they can easily upload the required documents against shortcomings observed in their application thereby omitting the need to file a fresh application.

Candidates applying for allotment of computer number are advised to go through Chapter 2, para 2.7 of the Flight Crew User Manual before applying and ensure that the timelines provided to them are met to avoid auto-rejection of their application by system.
